Handelsbanken Fonder 2020

Vote summary for General Meetings

The Meeting

The Annual General Meeting is the highest decision-making body and forum where shareholders can exercise their influence.

Attendance at general meetings

The Fund Company normally votes at Annual General Meetings and Extraordinary General Meetings in those companies where the fund's holdings in total exceed 0.5% of the votes, and otherwise at the meetings that are considered significant for various reasons. The Fund Company shall exercise its voting rights in a manner that the Fund Company believes should lead to the best long-term development of the unit value in the funds.

Nomination work

The nomination committee is the General Meeting's preparatory body for decisions regarding the Board of Directors, auditors and fees. The nomination committee normally consists of representatives of the largest shareholders in the company. Through our ownership share in 41 companies, we have been given seats in nomination committees and worked to submit proposals to boards of directors with good expertise and diversity.

For more information on our Shareholder engagement and responsible investments and Guidelines for nomination committees see: <https://www.handelsbanken.com/en/about-the-group/organisation/subsidiaries>

Vote summary

During the year, Handelsbanken Fonder AB voted in a total of 647 meetings worldwide. Based on our ownership, we have been most engaged in Sweden, where we voted at 238 AGMs followed by USA 82, China 37, Denmark 33, Norway 32 and Brazil 27. In most cases we have voted for the proposals presented at the AGMs but at 198 AGMs we have voted against at least one of the proposals.

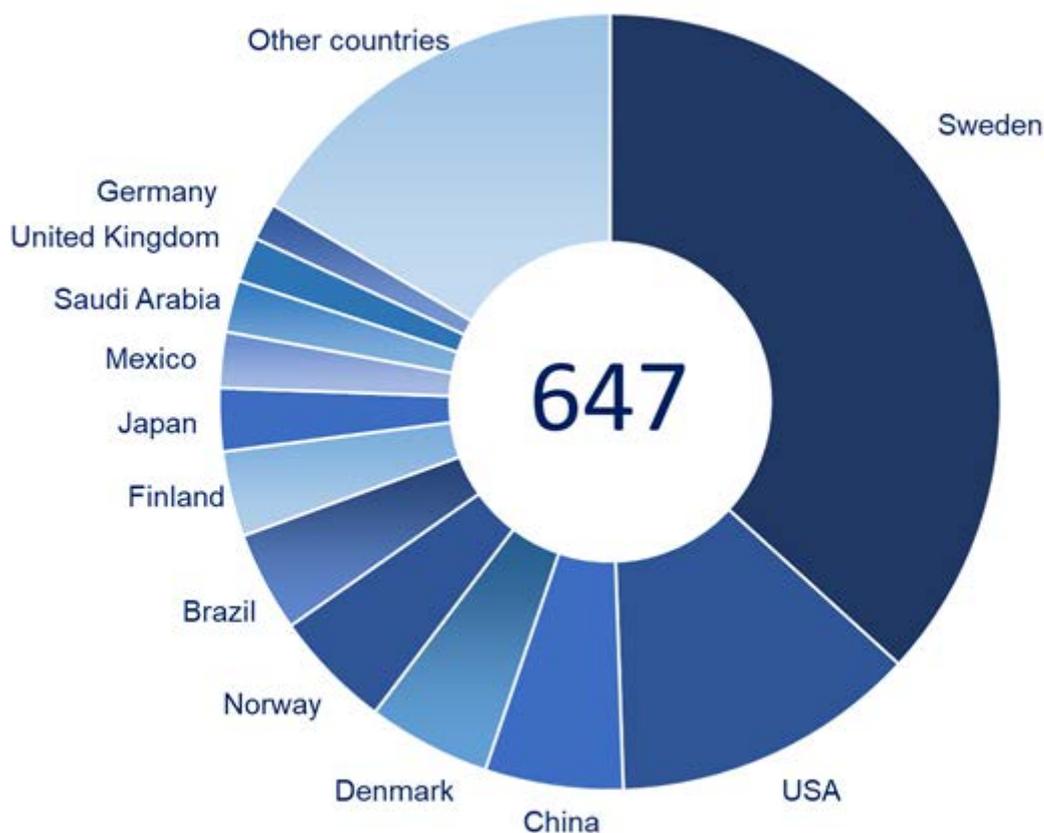

2. Incentive program

Market and transparent proposals for incentive programs to management and employees in the companies were also an important issue. Several dialogues were held during the year with companies where adjustments were made so that we could approve these at the meeting, alternatively we voted against proposed proposals.

Examples of two important issues at general meetings:

1. Board composition - competence and diversity

Extra focus regarding the Board of Directors composition based on gender distribution. We had dialogues with several companies and voted against proposals for boards that were completely gender-homogenous.
